

Honoring Our Veterans

Every day across America, veterans of American conflicts die. Most of them are honored by family and friends and laid to rest with the dignity and respect well deserved by those who served our country.

But for some, there is no family. There are no friends. There is no home. No one to remember their service and sacrifice. No one to care.

These are the nameless, forgotten homeless veterans who populate our neighborhoods and city streets, struggling to get by. Sadly, when they pass, there will be no one to recognize and honor their service. Their identity and sacrifice erased forever, as they lay in an unmarked grave.

Tuesday, November 10, 2009, please join Dignity Memorial® in honoring 12 of these brave men who fought for our freedom. The Dignity Memorial network of funeral homes and cemeteries, in conjunction with the Veteran's Administration, local veterans' organizations and Riverside National Cemetery will hold a burial and committal

ceremony honoring these men who have no one else to remember them.

The funeral service will begin at **9:00 a.m.** at **Oakdale Memorial Park**, 1401 South Grand, Glendora, Calif. Immediately following the ceremony a processional will escort the veterans to their final resting place at Riverside National Cemetery, 22495 Van Buren Blvd., Riverside, Calif., 92518.

The burial ceremony at Oakdale Memorial Park, the processional and the committal ceremony with military honors are open to the public and everyone is invited to join us as we honor the memory and service of these 12 U.S. veterans.
